

Daily Schedule

Monday:

Download the China Project assignment and share it with your partner, so you both can edit.

Choose your topic from the list provided on page 4 of the China Project document
Start your research with your partner. Record your information on the research notes documents. You will have Monday and Tuesday to conduct your research.

Tuesday:

Finish your research and start the google slides presentation. Make sure you and your partner can both access and edit your slideshow.

Wednesday:

Finish your google slide presentation and start the construction of your Chinese lantern. The Chinese lantern is individual -you will no longer be working with your partner, but you will be using the same research.

Thursday:

Finish your Chinese lantern and start your paragraph.

Friday:

Finish your paragraph. Make sure you highlight it. Red: Claim and Conclusion/ Green: Reasons/ Blue: Evidence/ Orange: Analysis

****If you fall behind the daily schedule your conduct grade will suffer and you will have to complete work for homework**
