

Step 1: Move developed and developing countries chart into your notability.

Step 2: click on the link that takes you to the CIA World Factbook website.

Step 3: Click on the tab on the right hand side that says “Please select a country to view”. The countries are listed alphabetically. Scroll down until you find the country you need.

Step 4: Once you click on the country you will have different tabs to choose from. The information you need to access is under the “People and Society” tab and the “Economy” tab.

Step 5: Record the information on your chart under the correct category.

HINT: If you cannot find one of the topics, for example, if you cannot find the Literacy rate, it means that the country has 100% literacy.

GDP per capita under the economy tab looks like this:

APAC, the G20, and other trade forums. Australia's free trade agreement (FTA) with China entered into force in 2015, adding to existing FTAs with the Republic of Korea, Japan, Chile, Malaysia, New Zealand, Singapore, Thailand, and the US, and a regional FTA with ASEAN and New Zealand. Australia continues to negotiate bilateral agreements with India and Indonesia, as well as larger agreements with its Pacific neighbors and the Gulf Cooperation Council countries, and an Asia-wide Regional Comprehensive Economic Partnership that includes the 10 ASEAN countries and China, Japan, Korea, New Zealand and India.

GDP (purchasing power parity):

\$1.235 trillion (2017 est.)
