DEBATE

PHARAOH'S UP FOR NOMINATION:

Khufu or Tutankhamun

Akhnaten

Ramses II

Nefertiti

Cleopatra

Group 1: Research and Preparation

1. You and your group members will research you assigned Pharaoh and help each other fill out the pharaoh chart. While researching different sites record the name of the website and copy and paste the URL address.

The last box is going to be used for highlighting any weaknesses/shortcomings about other pharaohs (in order to strengthen your argument).

2. Once all your research information is gathered you need to collaborate decide what the most important information about your Pharaoh is.
3. Create a statement each person can use when they move to their next group.

Group 2: Debate, Rebuttal and voting

1. Present- Read or talk about your statement to your new group.
2. Listen to everyone's presentation fill and fill out the presentation form for their pharaoh.
3. Rebuttal: Take turns stating or reiterating any last comments you have about the importance of your own pharaoh.
4. VOTING RULES: 1. You CANNOT vote for yourself. 2. You can not vote for someone because they are a friend. 3. You are to choose what you think is the most convincing/well planned/organized/informative argument! 4. This is a private ballot. No one needs to know who you voted for.
