

STEP 1: Practicing Empathy

Group Member Names: _____

Name of group you are researching: _____

What kind of problems is the group trying to solve?

Research the areas in which your aid group is working.

What are the problems in that area? Is there more than one problem? What are they?

Who are the people in these areas? What are their lives like?

What part of the world is your aid group helping?

Has this area been in the news, if so, for what? Explain.
